## **We Provide The Best Solution For Shipping In Qatar!**

*With highly experienced and specialized shipping professionals with more than 20 years of experience in Qatar having in-depth, expert knowledge of local & over-seas regulations and customs procedures.*

## **Welcome! Our culture is Service Excellence.**

*We approach every challenge positively and professionally. Our service is service excellence and we are committed to provide best rates and transit times to our customers.*

## OUR ACTIVITIES

### FRIEGHT FORWARDING:

With our wide variety of Agents and their uninterrupted services, we manage cargo on behalf of shippers. We have global coverage with flexible sailings, freight pick-ups, customs clearance and cargos are delivered on time.

### SHIPPING AGENCY:

Shipping services has been the core activity of Delta Shipping Agency since established in 2019. Being one of the most experienced and leading agents in Qatar, we are competent to provide shipping agency services for our principals.

### AIR FRIEGHT:

Fast moving, challenging and flexible. You want your shipments to fly in commercial aircraft or require specialist freighter aircraft to carry them, we have a team of experienced airfreight experts to ensure safety and timely delivery of your goods.

### **CUSTOMS CLEARANCE:**

Experience to provide you with the right information to take right decisions on how best to import or export your cargo hassle-free by fulfilling all the local and international statutory requirements.

### **LCL/FCL & AMP : RORO CARGO:**

We are expert in the field of Roll-On Roll-Off transport. We are specialized in the transportation of large/heavy machineries and large vehicles. We also manage FCL and LCL shipments as per the requirements of our customers.

### **PROJECT CARGO:**

We manage all processes related to domestic and international transportation of cargo moments on behalf of our customers to make them competitive in the market with high reputation.

### **TRANSPORT SERVICES:**

Whether you are global or local, asset or non-asset based, move shipments by air, ocean, ground or any combination in-between, we are ready for the transportation challenges.
